Dear Ms. Willis Brantley,

Please find the requested form. I would like to re-state that the gentleman that prepared and filled the patent application (Mr. Richard R. Mybeck) passed away. Consequently, I did not receive notices from your office. I have explained the situation in previous correspondences. Please let me know if you would like additional information.

Again, I would like to respectfully request that the patent be re-instated.

Thank you in advance.

Sincerely yours,

Narciso F. Macia, President
